

PODCASTS ON IPAD

1. Saving ABC Radio Podcasts- Example Richard Fidler

- Ensure you have the ABC Radio App on your Ipad
- Tap Explore in the top Menu Bar
- Scroll down to Conversations and Profiles
- Tap on Conversations with Richard Fidler
- Tap Downloads on menu Bar to enable downloads to occur
- Scroll through list to see which Episodes you would like to download
- Tap listen later and the session will download. (the word "added" will appear when download)
- *Note When listening ensure to save data usage on your iPad, ensure you have your WiFi in settings turned off, otherwise the program will try to run from the actual archives at the ABC Studios*

HOWEVER DON'T FORGET TO TURN YOUR WIFI BACK ON WHENYOU WANT TO USE IT AGAIN

You can use this process for any ABC Radio program

2 Using the Apple Podcast App (cost \$7.00)

If you want to access many Podcasts and subscribe to podcasts download the Apple Podcast App

With this app Podcasts especially design for your device you can stream or download podcasts over a Wi-Fi or a cellular (phone) network.

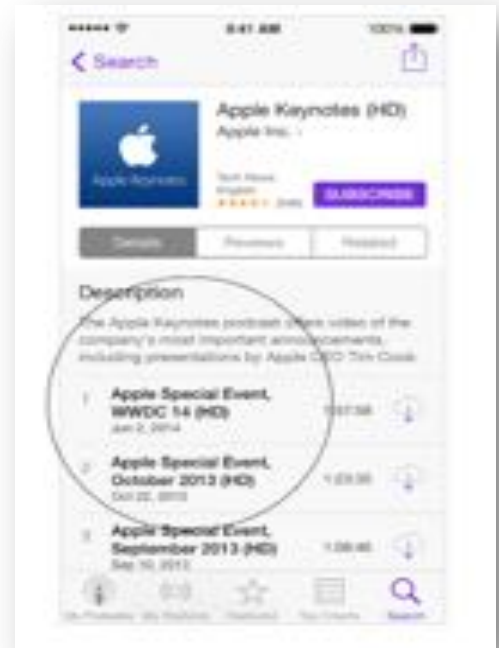

What you'll need

- iPhone, iPad, or iPod touch with the latest version of iOS
- The Podcast APP for iOS
<https://itunes.apple.com/us/app/podcasts/id525463029>
- Wi-Fi or cellular internet connection

(You don't need to be signed in with your Apple ID to play or download podcasts, but you will if you want to sync your podcasts back to your computer)

To Play Or Stream A Podcast

- 1 Browse or Search for a podcast.
- 2 Tap a podcast to view details.
Tap the name of an episode you want to play
- 4 The podcast episode will begin playing. If you allow Podcasts to use cellular data (under Settings > Podcasts), streamed podcasts of any size will play.

Downloading A Podcast

If you download a podcast episode, a copy of the episode is stored on your iOS device so you can play it anytime you like even if there's no Internet connection.

1. Browse or Search for a podcast.
- 2 Tap a podcast to view details.
- 3 Tap the download icon next to an episode.
- 4 The podcast will start to download and will appear in My Podcasts.

Subscribing to an Podcast

You can subscribe to your favorite podcasts. Whenever a new episode is available your iOS devices will get them automatically.

1. Browse or Search for a podcast.
2. Tap a podcast to view details.
- 3 Tap Subscribe.
